ABOUT US

Overview

VM&A Advocates LLP is an established full service law firm that was founded in the year 2015 under the name of Veronica & Associates Advocates. The firm transitioned into a Limited Liability Partnership in January 2022 and continues to trade and operate under the name VM&A Advocates LLP.

VM&A Advocates LLP is a dynamic and dedicated firm committed to providing personalized professional legal services, while employing an energetic blend of youth, experience and dedication to provide legal solutions.

Our high success rate and client satisfaction is attributed to our persuasiveness, persistence and professionalism. We pride ourselves in efficient, timely and effective provision of legal services.

We assure you of our commitment to hard work which we strongly believe will help us make a positive contribution to you.

Who we are

Our lawyers work together in multidisciplinary terms to provide full-service capabilities to clients on their most complex legal matters. We operate as an integrated whole, with a culture that encourages and draws strength from the diversity of our Associates' backgrounds, knowledge and skills, and supports the well-being of our associates.

Our Vision

The Firm aspires to be a premier law firm in Kenya and beyond, and to be acknowledged as a provider of competent, efficient, prompt and cost effective legal services on the widest possible spectrum of its client needs.

What the firm lacks in size it will make up with in determination and zeal to provide efficient personalised service

Our Purpose

Market disruption is an accepted reality for business, as new competition and technologies drive the pace of change faster than ever before. Our clients want advocates who are prepared to lead, differentiate and adapt in a constantly changing world. They want advisors who are curious about the world, and embrace collaboration and candour.

As a law firm, we bring the right talent to every client issue, regardless of where the client is. We partner with our clients to deliver solutions for current as well as newly opening markets.

We are global citizens, industry savvy, diverse and have a thirst for innovation. Our strength is our ability to adopt a new type of thinking and use cutting-edge legal technologies to help clients overcome the challenges of competing in today's new world economic order.

We are VM&A Advocates

Our Values

In everything we do connected with our People, our Clients and our Communities, we live by these values:

Supportive

We treat everyone fairly and with respect and courtesy.

We are inclusive, approachable and supportive of our clients and colleagues.

We make a positive contribution to our local and global communities

Collaborative

We exhibit a global mind-set by celebrating our diversity and working seamlessly across borders.

We reach out to others, give help willingly and make ourselves available when needed.

We listen attentively and value new ideas and perspectives.

Bold

We are strategic and future-orientated, always thinking and planning ahead.

We challenge, and are open to being challenged.

We are resilient, we adapt quickly. We guide and help others do the same.

Exceptional

We focus on delivering the highest standard of legal advice and service excellence.

We get to the heart of issues and challenges and provide pragmatic, commercial solutions.

We operate with transparency and work efficiently to deliver value.

This is a reflection of who we are as a firm

Our Commitment to Responsible Business

We believe business must take a central role in fostering and championing sustainability. We are proud to leverage our talent, innovation and relationships to make a positive and sustainable societal impact for our clients, our people and the world.

We are global citizens and recognize that the rule of law is an essential foundation for economic growth and development. Where the rule of law is strong, business leaders can feel optimistic about investing in the future.

Our Firm is therefore committed to the UN Global Compact, the Sustainable Development Goals and the UNGC's Ten Principles on human rights, labor, environment and anti-corruption.

Investments in these efforts is not only good business, but the right thing to do.

Investing in Justice and Our Communities
